To Whom It May Concern,

RE: Statement of Character for Mr.

Mariusz Junker Regarding Childcare

My name is Andrzej Szemela, and I am writing this letter at the request of my acquaintance, Mr. Mariusz Junker. I have known Mr. Junker for several years, and during this time, I have had multiple opportunities to observe him in his role as a carer for two children: his own daughter and his partner's daughter.

Based on my observations, I can state with confidence that Mr. Mariusz Junker is a responsible, caring, and engaged guardian. I have frequently witnessed his

positive interactions with the children. He has always shown great patience, empathy, and attentiveness to their needs, both physical and emotional. I have seen him organise their time, play with them, and create a warm, family atmosphere built on mutual respect.

I would like to state unequivocally that throughout the entire period of our acquaintance, I have never witnessed any situation that would cause concern regarding his caregiving abilities. I have not observed any behaviour that would suggest he is an unsuitable person to care for children. On the contrary, his conduct has always been exemplary.

I can state with full conviction that Mr. Mariusz Junker is a loving and competent guardian who puts the children's well-being first.

Statement of Truth

I believe that the facts stated in this witness statement are true. I understand that making a false statement may have legal consequences.
