WITNESS STATEMENT OF RHONDA GOODSIR, COMMERCIAL DIRECTOR OF
PANEL UK

Date: 27 October 2025

Rhonda Goodsir, of Panel UK, Commercial Director, says as follows: I am employed at Panel UK,

Highcliffe Industrial Estate, 231 Bruntcliffe Lane, Morley, Leeds LS27 9LR, and can be contacted at 0113 387 0131 or rhonda@panel-uk.com

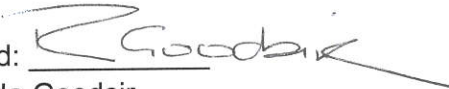

I have known the applicant, Mariusz Junker, as my employee of Panel UK Limited from mid-2015 to mid-2022, during which he progressed from a general worker to Supervisor. He demonstrated strong reliability, professionalism, and a proactive attitude in rotational shift work, often taking on additional responsibilities without issue, even during personal challenges.

In early 2021, Mariusz approached me with a request for flexibility in his schedule to support daily childcare for Nadia, who was the daughter of his then-partner, Urszula Cholewinska, and half-sister to Natasza. Specifically, this involved school drop-offs and pick-ups at Howard Park Community School, Park Road, Cleckheaton BD19 3AP.

His original rota involved rotational shifts, typically from 07:00am to 15:30 (3:30pm), which made coordinating this support challenging. To facilitate, I approved the request and adjusted it to a flexible one week 06:00am to 14:30. (2:30pm) and 10:00am to 18:00 (6:00pm) schedule. This enabled alternating daily responsibilities. Mariusz managing morning drop-offs on his rotation days while Urszula handled pick-ups or vice versa—allowing both to maintain their work commitments without disruption. The arrangement was in place for several months in 2021 and positively affected his performance by reducing stress and allowing better focus during shift rotations

During his time at Panel UK, Mariusz showed himself to be a responsible, caring, and stable individual, particularly in balancing family and work contexts. He often spoke positively about his role in family life, including efforts to support relationships with children like Nadia and, later, Natasza from her birth in 2022. I have no concerns regarding his character, reliability, or suitability around children; he consistently managed family priorities alongside his rotational duties.

I make this statement believing the facts stated to be true. I understand that it is a contempt of court to make a false statement in a document verified by a statement of truth without an honest belief in its truth.

Rhonda Goodsir
